## WATER FILTRATION

This complete filtration system provides clean, pure water for drinking, cooking and showering. It eliminates harmful organisms, filters 99% of heavy metals and water-borne chemicals, and significantly reduces parasites, lead and bacteria.

## AROMATHERAPEUTIC SHOWER SYSTEM

Aromatherapeutic showers protect and nourish the body by eliminating harmful pollutants and hard-water deposits, then replacing them with an infusion of organic vitamin C and collagen essences – providing a way to retain the skin’s youthful glow on a daily basis.
